Russia: Timeline

Former Yugoslavia represents an example of how divisive centrifugal and devolutionary forces can lead to nationalism and eventually to war. Slovakia is known officially as the Slovak Republic.

2.4 Eastern Europe

This body had two chambers—the Soviet of the Union, with 750 members elected on a single-member constituency basis; and the Soviet of Nationalities, with 750 members representing the various political divisions: 32 from each union republic, 11 from each autonomous republic, 5 from each autonomous region, and 1 from each autonomous district. Bulgaria Located in the crossroads of the continents, Bulgaria has a major trans-European corridor running through its territory that connects all the way to Asia.

USSR: Capitalist or Socialist?

Observers fear another disaster may occur in the region.

The plan was thereafter a permanent feature of Soviet life; the First Five-Year Plan was followed by a series of others. In mid-1929 only about 5 million peasants had been on collective farms.

2.9 Cold War Geopolitics

In principle, Romania is set apart for Romanians, Hungary for Hungarians, and so on. Brezhnev published several tomes himself, but they were always ghostwritten. The Romanian forests are some of the largest in Europe, with about half 13 percent of the country set aside from logging and placed in watershed conservation programs.

2.4 Eastern Europe

The revival of communist advance from 1928 also resulted in radical changes in the official attitude to the intelligentsia, both technical and creative. Under these conditions they had little opportunity to develop respect for private property or any of the other qualities necessary for citizenship.
