First Person

In business, writing in the first person i.

Subject

In many languages, the takes a form dependent on the person of the subject and whether it is singular or plural. Common Questions and First, Second, and Third Person Here, I want to go quickly through a few questions I get about first, second, and third person pronouns. Some and divide the category of third person into two parts: proximate for a more third person, and for a less topical third person.

First Person Singular: I.M. Pei (TV Movie 1997)

Second person pronouns are you, your, and yours.

First Person Singular

We are also, like Harry, left uncertain about what other characters are thinking: Three days later, the Dursleys were showing no sign of relenting, and Harry couldn't see any way out of his situation. No, we is a first person pronoun.

Subject

Reason 2 Your readers will connect quickly to a story told in the first person.
