## Leave Code Better than You Found It

A lot of the ideas we have, we end up doing nothing with. It could be a relationship, a work project or even the kitchen in your home. For a tech company wanting to raise money, this individual would probably be at the top of the list.

## Leave it better than you found it Digital Print Digital

As you do, I decided to go to the bathroom before we landed. As a leader, how do you know when you've achieved enough to think about stepping aside? What is your typical day like? All projects and pieces have been given hands on love and care to make them function properly in our modern lifestyle. Nixon has embodied one of the best practices in great leadership.

## Your Mission: Leave It Better Than You Found It

Palmisano demonstrated, you'll know it's time to leave when you can say with confidence your organization is succeeding in all of these key areas. Talk about going out on the top of your game.

## SRE Lead Titas: Leave It Better than You Found It

The idea of social responsibility holds true in all walks of life, big or small. This sometimes required me to give up comfort.

## How to leave your company better off than you found it

It's basically the history of the Nordstrom corporation, and how the corporation got to where it is today.
