## 74 Father Poems

You have know idea the relief and peace of mind this has brought to the both of us.

### Four years, two continents: a gay Chinese couple's journey for a surrogate son

Although I do have a couple of trouble spots yet my dermatologist believes that within 6 months to a year I will have no noticeable areas. The smaller footprint of the light device makes it ideal for travelers and ambulatory users.

### Luca: What Happened to Alberto's Dad?

I was on a three week vacation and am now back at square one in terms of my condition.

### 100+ Powerful UVB Phototherapy Testimonials

Psoriasis patient I purchased my 1760UVB-NB Phototherapy System 4 months ago because my psoriasis no longer responded to the creams and ointments prescribed by my dermatologist. I recommend anyone looking for treatment of psoriasis to get one.

## 74 Father Poems

Scales are lessening and skin is actually completely healed on buttocks and lower back which was severe and painful to sit or lay.

### Newborn jaundice

I am extremely pleased with the equipment. Nevertheless the phototherapy definitely helped the itch, and now I am trying to just use the sun! Xu learned that if they had said they were partners from the beginning, they would have been allowed to go through border control together, avoiding all the drama. It cleared up nearly 90%.

### Four years, two continents: a gay Chinese couple's journey for a surrogate son

See for more information about the tests used.

### **SolRx UVB**

The inventor has chosen not to divulge the chemistry and NO ONE can replicate it! After just four minutes of using the HALO, she closed her hand. Your product is mentioned quite often when light therapy is talked about. Larry, CA, USA Psoriasis patient The skin issue seems to be a combination of pruritus secondary to age and medications, and angioedema secondary to one of my drugs which I stopped.
