Devising a relevant curriculum for urban slum children The Katha Pre-school Curriculum, the Katha Bal Taleem, addresses these very issues, uniquely designed for early learners living in urban slums. We have written to the government for permission to help start pre-schools in every one of the MCD schools, starting with our 50, that we hand over to Government once they are stable.

The banished child (1983 edition)

Published as the journal of the International African Institute, editorial policy encourages an interdisciplinary approach, involving the social sciences, history, the environment and life sciences. En cas de réutilisation des textes de cette page, voyez. It is also about community and starts with their own stories.
