### 5 Reasons Why People Prefer Marijuana To Alcohol

The drink can be made by crushing weed and adding it to boiling water with coconut oil or butter. Marijuana, however, isn't only beneficial for your health.

### Compare to Alcohol

### Alcohol, Marijuana and Blackouts

But, by the same token, advocates of marijuana legalization who point to the horrible amount of damage alcohol does are pointing to precisely the strongest argument for maintaining marijuana prohibition: the one drug we legalized is the most harmful of all despite all our efforts at regulation. Everyone can contribute to the prevention of excessive alcohol use.
