## Tweed River Art Gallery

Tweed assembled a fine collection of high quality artworks. So off we went to find the Tweed Regional Art Gallery as a day excursion with a difference. The new spacious building offers a friendly, comfortable ambience which is enjoyed by many visitors.

### History

Purple is Black Blooming invites viewers to reflect on their own experiences in their childhood homes and to consider how these significant physical environments protect intimacy, provide refuge and keep memories. Learn more about all the ways you can shop by clicking. Due to COVID-19 capacity restrictions, you need to specify a date when booking.

### Collections

Telling LGBTQI stories Going by the name of the Radical Faeries, the small group of gay men established a sanctuary where they could live as their true selves without fear.

### Find a Store

Each year the Gallery presents an exhibition curated exclusively from the collection promoting continued interpretation of and access to this significant community asset.
