volume to pick up any other in the series I wander across, though I can't help thinking that this particular mode of book has an ideal set of collaborators in Robinson and Zarate, whose work usefully complements and explains the peculiar kind of thinker Kierkegaard is. Søren Kierkegaard died in Copenhagen, Denmark, at the age of fortytwo in 1855. Once again, I fully endorse this book as an excellent introduction to one of the great minds in Christian thought.

Introducing Kierkegaard: A Graphic Guide by Dave Robinson, Oscar Zarate, Paperback

In fact we must believe by virtue of the absurd. In later years I graduated to the wonderful scratch and sniff comic history of Rome called Roman Aromas loved the vomitorium , a comic history of the Decemberist revolt from an orthodox Soviet Marxist publisher, and the incomparable Understanding Comics.

Introducing Kierkegaard: A Graphic Guide (Introducing...)

It served it's basic purpose of making me want to go to the source and read some Kierkegaard. A great companion to any biography of Kierkegaard, with a timeline, listing all major events and significant points that shaped this famous philosopher and father of existentialism.

Introducing Kierkegaard: A Graphic Guide: Robinson, Dave, Zarate, Oscar: 9781848315150: skynet2550.us.to: Books

At the same time he made many original conceptual contributions to each of the disciplines he employed. He feared that in modern consumer society the individual was becoming absorbed into the crowd, a mere member of a herd. I sort of knew it would be, just based on the very little bit that I knew about Soren Kierkegaard already.

An Introduction to Søren Kierkegaard

In this sense he was a true existentialist, reserved and judgmental. And you can only become an individual by action and decision. A philosopher,

poet and social critic, his key concepts of angst, despair, and the importance of the individual, influenced many 20th-century philosophers and literature throughout Europe.

Introducing Kierkegaard: A Graphic Guide by Dave Robinson

That might be ok if that point was made in the book. Martensen also had a profound effect on Kierkegaard, but largely in a negative manner. They could be positions that he holds in some way, but his main point is to occupy all positions philosophically.

Kierkegaard: An Introduction

Philosophy seems to lend itself to being presented in cartoon form more than any other discipline.
