**State of Oregon: Surplus Property**

Although a few eligible activities were eliminated or altered under MAP-21, a number of activities remain eligible. Disposal of the property at less than fair market value must also be approved by the disposal agency.

## NASA Signs Lease with Planetary Ventures LLC for Use of Moffett Airfield and Restoration of Hangar One

The resolutions would require the President to direct executive branch agencies to inventory their assets and to estimate the value of each asset while identifying the uses to which it is put.

## Government Land for Sale

Interior spaces were categorized by their significance and the main lobby area, rooftop control tower and principal airside and landside entrances were restored.

## State Land Classifications

Like both the FLAP and FLTP, the TTP includes a provision for the use of funds for pedestrian and bicycle projects. Federal agencies must not discriminate by segregation or otherwise against any person or persons because of race, creed, religion, age, sex, color, disability, or national origin in furnishing or by refusing to furnish to such person or persons the use of any facility of a public nature, including all services, privileges, accommodations, and activities provided on the property. The notice must identify the property affected, describe in detail the proposed action, and state the reasons for the proposed action.

## Historic Surplus Property Program (U.S. National Park Service)

With respect to the property described in this deed, if at any time within a 3-year period from the date of transfer of title by the Grantor, the Grantee, or its successors or assigns, shall sell or enter into agreements to sell the property, either in a single transaction or in a series of

transactions, it is covenanted and agreed that all proceeds received or to be received in excess of the Grantee's or a subsequent seller's actual allowable costs will be remitted to the Grantor. Some grants are specifically created as non-profit grants for building repairs after natural disasters.

### **Government Land for Sale**

The modern Supreme Court has sided with the liberal view. The program is available on only some bases. Where can Federal agencies find guidance on how to appraise the value of properties being acquired by the Federal Government? After reaching this determination, the disposal agency must expeditiously make the surplus property available for acquisition by State and local governmental units and non-profit institutions see § 102-75.

### **Federal Lands To Parks**

Zonal allocations means the allocation of parking spaces on the basis of zones established by GSA in conjunction with occupant agencies.
