Artificial Sweeteners and Cancer

Disclaimer: Recommendations made by the USPSTF are independent of the US government. The studies were heterogeneous in study design, population, imaging technique, and reader experience or protocol. A food additive petition was filed with the FDA for the reapproval of cyclamate, but this petition is currently being held in abeyance not actively being considered.

Colorectal Cancer — Cancer Stat Facts

Kidney and Renal Pelvis Cancer 73,750 14,830 9.
