Zac Efron Reportedly Rushed to Hospital in Australia Before Holidays

The film became a major blockbuster at the box office, and received mixed to positive reviews from critics. During this time, he also starred in the musical film 2007 and the comedy film 2009.

Who is Zac Efron's Girlfriend? Meet Swimmer Sarah Bro

The film followed the same couple Rogen and Byrne who team up with their former rival Efron to take down a hard-partying sorority led by a freshman Moretz. In 2019, Efron's brother Dylan, who also plays a role in the company, stated that *Ninjas Runnin' Wild* has started to produce more digital content in addition to their traditional film work. The company played a part in the production of his films *Dirty Grandpa*, *That Awkward Moment*, and *Extremely Wicked, Shockingly Evil and Vile*.

Zac Efron

Efron was later signed to the. The Australian newspaper on Saturday that Efron had contracted what is believed to be a typhoid or other bacterial infection while on the island country of Papua New Guinea, where he's been shooting the new Quibi series *Killing Zac Efron*, and was airlifted by emergency medical workers to an airport in Brisbane, Australia, where he was then transported to a private hospital.

Zac Efron to Star in 'Killing Zac Efron' Adventure Series at Quibi

About Gym Time: Gym Time is a weekly show where I train with athletes, celebrities, and interesting people alike to get a sense of who they are and what their goals are. Efron has been cast to voice in Warner Bros.
