## Al Adaab: Living Islam According to the way of the true Salaf As Salihoon

This root appears ten times in the Quran in three derived forms.

### Dar al

Embrace others with your kindness. Be aware of your actions.

### And the Answer is . . . Al

He is the One whose attributes are immense. So ask Him for every need you have and turn to Him with every worry you feel. He is the One who prevails over all and to whom all creatures surrender.

### And the Answer is . . . Al

It means you submit and you surrender to the Lord of the Worlds.

### Who is Abdullah al

This root appears 32 times in the Quran in six derived forms. May Allah give us Taufiq to perform these three sunah prayers. Allah may increase ur knowledge so that u may explain the holy quran in a simplified method so that less learned people can also understand what he says to his people.

### Dar al

While the architectural style chosen for the village may seem foreign in this western context, it does have much in common with the local, adobe tradition. It also provided workshops to train educators about Islam. The second main meaning of this root is to be plentiful and bountiful.

### Al Arabi

He has sufficient means to respond to each single request in His tremendous dominion. So never despair in any of His roles, whether The Provider, The Judge, The Answerer of Prayers; be firm in faith that all His capacities cannot be limited by anything or anyone. Sunnah in looking for religious knowledge, sunnah in Sadaqah and many others leading to Jannah.
