### How New Animals Come to the Zoo

Masks are no longer required on this experience. These findings were based on a small number of animals, and do not show whether animals can spread infection to people. The Zoo opens daily at 9 a.

### Animals and COVID

Our new Zoo Director, Dr. Because of the prevalence of various diseases hoof and mouth, respiratory, etc.

### Zoos Are Vaccinating Animals Against COVID

These attractions allow the animals more space than the small enclosures of traditional zoos.

### Our Animals

All 11 animals tested positive for antibodies and three cats were still positive for COVID-19, but the animals had mild or no symptoms.

### Our Animals

It will also include a perfect photo opportunity with one of our sea lion ambassadors. Some Encounters require guests to walk long distances. Get the FREE Denver Zoo app today, and be a pro the next time you visit the Zoo.
