Local governments deploy internet-based innovative technologies that complement traditional methods in implementing different functions. Already several thousand Africans are French citizens, mainly those who live in Dakar and some of the other old French settlements.

### **Federal Principle And Local Government Autonomy In Nigeria: A Critical Evaluation**

However, the local bureaucratic system in Jos is side-lined in favour of newly created autonomous implementation agencies and the indigenous financial institutions are not involved. These failings explain why the Council of States finds it easier to strike political compromises rather than accept results of the formula. The proportion of functionaries is therefore much higher in the French possessions.
