Hugh Blair: Lectures on Rhetoric & Belles Lettres, Vol. 3.

Both in describing characters, and in relating transactions, the Author should always show himself to be on the side of virtue. I shall then examine the various fluctuations to which it is liable, and enquire whether there be any standard to which we can bring the different tastes of men, in order to distinguish the corrupted from the true.

Lectures on Rhetoric and Belles Lettres by Adam Smith

If to these be joined, some of the productions of art, which suit such a scene; as a bridge with arches over a river, smoke rising from cottages in the midst of trees, and the distant view of a fine building seen by the rising sun; we then enjoy, in the highest perfection, that gay, cheerful, and placid sensation which characterises Beauty. Genius, therefore, deserves to be considered as a higher power of the mind than Taste.

possess, concerning several of the most eminent personages of antiquity.

Lectures on rhetoric and belles lettres : Blair, Hugh, 1718

IT is true that these two qualities of Taste, Delicacy and Correctness, mutually imply each other. The adventures, or the discourses of courtiers, or citizens, in the country, are not what we look for in such Writings; we expect to be entertained by Shepherds, or persons wholly engaged in rural occupations; whose innocence and freedom from the cares of the world may, in our imagination, form an agreeable contrast, with the manners and characters of those who are engaged in the bustle of life. LECTURES ON RHETORIC AND BELLES LETTRES. One may have strong sensibility, and yet be deficient in delicate Taste. Dryden and Lee, in their tragedies, abound with it.

Hugh Blair (Blair, Hugh, 1718)

He who is to plead at the Bar, must make himself thoroughly master of the knowledge of the Law; of all the learning and experience that can be useful in his profession, for supporting a cause, or convincing a Judge. Volume: 3 Pages: 404 Language: eng.

Lectures on Rhetoric and Belles Lettres

In this species of Writing, Plutarch has no small merit; and to him we stand indebted for much of the knowledge that we
