Additional capacity for plan production and planning services is provided by the Denver Service Center Planning Division.

CAB Direct

Manual for national parks planning. For Librarians: Integration of your institutional LibKey profile with CAB Direct is very quick and easy! Planning in the National Park Service guides informed and insightful decisions that provide relevant and timely direction to park management, and informs future decision-making for each national park system unit in accord with its stated mission.

CAB Direct

Planning also provides methods and tools for resolving issues in ways that minimize conflicts and promotes mutually beneficial solutions - solutions that articulate how public enjoyment of the parks can be part of a strategy for ensuring that resources are protected unimpaired for future generations. . Please email CABI with your LibKey API Key and LibKey Static ID which may be requested from Third Iron.

A manual for national parks planning : with annotated examples (Book, 1976) [skynet2550.us.to]

It works closely with the seven regional planning offices, which are responsible for plan production and technical assistance to parks. Additional Physical Format: Online version: Food and Agriculture Organization of the United Nations. The Park Planning and Special Studies Division in the national office provides overall direction for park planning.

National Park Service

The National Park Service prepares a variety of planning and environmental documents to help guide management of park resources and visitor

use and activity. Planning is accomplished through collaboration with various NPS programs, such as Facilities, Transportation, Wilderness, Cultural Resources, and Natural Resources, to meet park planning needs.
