Rev. Joseph Warton: Essay on the Genius and Writings of Pope.

Designed and decorations drawn by W.

An essay on the genius and writings of Pope : Warton, Joseph, 1722

Printed at The Stinehour Press, Lunenburg, Vermont. Investigation bears out the natural assump tion that his choice was influenced by the chief purpose of the essay, that of preparing the way for the Henriade. Lefferts has noted a variation, a cupid with bow standing on a pedestal.

9 of the very first editions of famous American newspapers

Written in Latin by Sir Thomas More, Chancellor of England. Sutherland remarks as follows on his work: The easy and familiar tone of Dryden in the various prefaces that he wrote for his plays was partly due to many of those pieces being addressed to individuals in the form of dedications, but also to his awareness of the fact that most of his readers had already seen his plays, and that to this an acquaintanceship already existed.
