This bright river : a novel : Somerville, Patrick, 1979

It can be found on the Sci-Fi channel. It is a thoroughly worthwhile reading experience that will stay with us for a while. Haven't had anyone yet who didn't share my enthusiasm for this story and this writer.

Riverworld

It would be a mistake to go into this multilayered novel as a straightforward crime read, it is so much more, the crime aspects hang in the background, but at the forefront is a in depth character driven family drama, the relationship between two sisters, 32 year old single mother and beat PPD police officer, Mickey Fitzgerald, and her younger sibling, Kacey, at the mercy of her drug addiction and a prostitute.

Long Bright River

This sweet, sly suburban drama has a bite to it, especially since one of its protagonists is the nemesis of just about everybody else and, yes, her first-person dialogues reveal her to be just that bad. She has complicated feelings about her grandmother and extended family.
