## Experimentation and Tradition: The Avant

Rollover threshold, the lateral force needed to cause rollover.

### Field of Yiddish

That would be the real way of bringing the tradition of Noh back to life. The first so-called Living National Treasures ningen kokuhō certified in 1955, in fact, included the Noh actor Kita Rokuheita, the fourteenth-generation headmaster iemoto of the Kita School.

## Experimentation and Tradition: The Avant

The veneration with which the old formulas were maintained, in fact, resembles a religious fervor.

## Experimentation and Tradition: The Avant

For many, this group signaled the rebirth of avant-garde art in postwar Japan.

### Field of Yiddish

For example, traditional Japanese novels, traditional Japanese poetry, and even the Japanese language itself came under attack in this atmosphere. The playbill of Pierrot Lunaire only introduced fragments of the plot, and much was left to the imagination of the viewer. Its leaders were almost œuvre merchants with interests in American and Dutch oil.

### The skin game.

Some have criticized this as pastiche, grafting trees with bamboo. In fact, the activities of Jikken Kōbō and Takechi might have given an impetus to the 1960s avant-garde performing arts movement, the shō-gekijō small theater movement, that produced such visionary dramatists as Terayama Shūji, Suzuki Tadashi, and Ninagawa Yukio, to name just a few.
