The 4 Major Jungian Archetypes

To change or withdraw your consent choices for VerywellMind. Jung believed that disharmony between the unconscious and the conscious mind could lead to psychological problems.

The Jung Page

Psychology and Alchemy 1968 Second Edition completely revised ed.

Carl Jung Quotes (34 quotes)

At times of emotional distress, he often drew, painted, or made objects and constructions which he recognized as more than recreational.

Jung Society of Washington

Modern theories often stay true to behaviourist means of describing such a trait sociability, talkativeness, assertiveness etc.

The Jung Page

. In search of even greater profits, he expanded his operation to flying the drugs in from, Mexico, using airplanes stolen from private airports on and professional pilots. I believe that fifty years later it has unexpectedly slipped into focus in his conscious mind.

George Jung

Barely a year later in 1896, his father Paul died and left the family near destitute. Showing his own skepticism toward this postulation, as he could not find material evidence of the existence of spirits. Our members receive several benefits: discounts for most of our programs, free articles, video and audio recordings in the Member's Area, Jung Society Library borrowing privileges and more.
