**Guide to Museums and Historic by**

Once an inn, today, it is a museum owned by Bowdoin College and houses faculty offices.

### Museums

Today, the house is a museum and national landmark. Over the next 150 years, three generations of Marretts would live and thrive here. But, after the war he returned to teaching at Bowdoin briefly.

### Guide to Museums and Historic by Peter D. Bachelder (Ed.)

A visit to the home reveals three generation's worth of family possessions and a true glimpse into what life was like for them at the time. His war career is now well-known, helped in part by Hollywood. We were officially named the 23rd state in 1820, but York became the first incorporated city in America nearly 200 years before that — in 1642.

### Museums

Whether or not you agree with his ideas, his life and enthusiasm for his interests are intriguing.

### 11 Historic Homes And House Museums In Maine

While we continue to feature destinations that make our state wonderful, please take proper precautions or add them to your bucket list to see at a later date.

### 10 Must

A museum today, is preserved and features many of the contemporaneous items and decorations of the era. As a state constantly on the move, Maine hosts many. For questions, comments and inquiries please email: mstarin only@yourstate.

## **Maineâ€™s Historic Homes**

Authorities, who feared an outbreak of hostilities, built this ammunitions depot in the early 19th century to stock weapons in case of war. The Tate House is the only pre-Revolutionary home in Greater Portland that is open to the public.
