**Link Between Social Media & Body Image**

It is even more difficult to secure sponsorship for female athletes as many sponsors from the corporate niche prefer male athletes for their masculinity.

**Gender and body images: Stereotypes and realities**

Consequently, it is both practically and theoretically important to both identify how and how often different groups are portrayed across the media landscape as well as to assess the ways in which exposure to this content influences media audiences. Sex Roles, 1986, 14, 519—

anti-feminist ideas today.
