### Motivating Language Learners to Succeed

Now, in my own experience, I find that the initial period in some ways is quite rewarding because very quickly you know the word for dog, horse, cow. The teacher at the end of the clip notes how her motivation increased when her family moved to the U.

### Integrative Motivation

Teaching by principles: An integrative approach to language pedagogy 2nd ed. Most of the people there basically said they like to listen and read.

### Learner Motivation in Language Teaching

Each success pushes them forward and motivation happens naturally. Also, I was involved in a community-based English Club called Walisongo English Club.

### Integrative Motivation

Second language learning and motivation. My motivation for earning English comes from my intrinsic and extrinsic motivation. I went to the library and read a TOEFL preparation book.

### Motivating Language Learners to Succeed

I think in many cases the traditional method of teaching is quite de-motivating because it focuses on the nuts and bolts of the language trying to get you to pronounce correctly at an early stage or trying to get you to remember grammatical patterns at an early stage and because this is extremely difficult to do people get frustrated.
