focuses on practical and litigation issues related to maritime claims handling. However, a vessel may also incur liabilities by causing damage to cargo or crew on board the ship or to property outside the vessel.

## Miami Marine Insurance Attorneys

With specialized marine expertise backed by industry-leading data, analytics, and benchmarking, we help determine and prioritize exposures and determine how much risk your balance sheet can comfortably retain. Should you bring your family to Malmö? You might want to bring your national dress with you when you come to Malmö — you will be asked on a number of occasions to represent your country while you are here, and many students are proud to wear their national dress. We help clients differentiate their risk profiles, enabling them to better compete for insurer capacity.

"Such an informative and enjoyable week.  
It really did exceed my expectations."
