### Still

Only such a way of living is capable of affirming human life.

### Japanese people

Retrieved on March 21, 2015. The term ethnic Japanese is used to refer to mainland Japanese people, specifically the Yamato. On estime que Kishida réalisa environ soixante-dix portraits de Reiko, dont vingt-quatre huiles sur toile et vingt-deux gouaches.

### Bibliography: The Invention of “Folk Crafts” Yanagi Sōetsu and Mingei

Il a déjà peint à cette époque la plus grande partie des portraits de Reiko.

### transcultural and transnational approaches

He longed for his country to be a world of freedom and creation. II, n° 5, juin 1930. Y, por tanto, desconozco si en este evento se hizo mención o no a la figura del escritor español de origen griego??? The Legacy of the Founders.
