William Morris, with the help of Morris and Company, was able to produce over fifty wallpaper designs.

## The Arts and Crafts Movement and William Morris

First published in The Notation of Human Movement 1928 , she later came to refer to the notation as Danscript. A precocious child, she appears to have received no formal education except for dance classes. In the contemporary zeitgeist, where some of the most exciting work is often collaborative or multidisciplinary, and where the mediums of performance and dance have ruptured traditional understandings of modern art, it seems particularly pertinent to bring the stories of these dynamic women to the fore and celebrate their multifaceted life and work.
