Vinyl Flooring On Stairs: Pros and Cons

Basement Floors The best are tile, laminate or engineered hardwood. However, like most building materials, vinyl flooring has

Filesize: 41.28 MB

its strengths and weaknesses. When steam cleaning or shampooing carpet, you will need to use fans and open windows if it is a low-humidity day.

All you need are a few tools and the time to have a great set of stairs. It is Versatile If you have to choose what type of hardwood stair floor to get, you have a wide array of options.

Wood Floors Plus > Stairs

So the Stair Project is moving along, albeit slowly. The best time to buy flooring is early winter and late spring. These types can handle higher humidity and spills without warping or bleaching.

What's The Best Flooring For Stairs?

This is a nice option if you are covering exterior stairs or if you are covering a small set of stairs from the entryway. Note that the other counterparts would require a carpet to add more décor to your space, but vinyl comes with unique and stylish designs that blend in with your furniture. If you have children, seniors or sleepwalkers in your home, wood stairs may not be the best choice in terms of safety.

89 Hardwood stairs ideas

Cleaning hardwood floor stairs is much simpler as they only need a basic floor cleaner for wood and to be swept every day. Runners will add some color, warmth, and beauty without hiding the flooring. Steam cleaning your carpet should be done every few months.
