Violence Against Women: A Curriculum for Empowerment, Facilitator's Manual

This paper analyses how media, parliaments and other state institutions, and non-governmental organizations NGOs conceptualize honour killing and honour-related violence in order to uncover how such conceptualizations inform policy responses.

Prevention Strategies

It contains an up-to-date listing of relevant US laws, news coverage, resources concerning legal issues affecting transgendered and gender-variant people in the US, and more.

8 Everyday Way to Fight Racism

Centers Against Violence, was established in 1979 as a private, non-profit corporation to provide comprehensive services to victims of domestic violence, sexual assault, and stalking, in a six county area. Health Care for Women International, 32 9 : 779-794. Here are eight ways that you can fight racism in your community: 1.
