. Batoche 1870-1910 constitutes a significant scholarly contribution. They drafted a Métis Bill of Rights, which was then sent to Ottawa.

Métis

The historical study of Batoche, from its emergence out of the wintering camps of the hibernants in the region of the forks of the Saskatchewan River to its inclusion as part of the mosaic of the settlement experience in Western Canada, provides a perspective for the events of the Rebellion that is not frequently encountered.
