Gallic Wars

Gallic War, 58

If they did try, it would be hard to persuade me that they ever got half way over, or that the victory was anything more than the fun of seeing them swept helpless down the stream. Gergovia was a very strong defensive position, but would probably have fallen in time, but soon after Caesar began his siege it became clear that the Aedui were about to join the revolt. .

Gallic Wars

. Vercingetorix's father, Celillus, was killed after attempting to seize power amongst the Arverni; for that reason, Vercingetorix was a social outcast and had much to gain from a rebellion.
