Nutt, G., & Clarke, G. (2002). *The Hidden Curriculum and the Changing Nature of Teachers' Work*. In A. Laker (Ed.), *The Sociology of Sport and Physical Education An Introductory Reader* (pp. 148)

Continuity and integration must be provided by readers, instructors, or an accompanying text. Most of the authors make efforts to write for students rather than colleagues, although some students would want more examples and content related to their experiences.

## The Sociology of Sport and Physical Education by Dr. Anurag Saxena

Whereas some of the core values may be contrary to those identified by specific cultural groups in our society, they nonetheless should be noted.

## What's the Relationship Between Sports and Society?

Completing this path leads to clear, identifiable rewards for researchers, such as publication in journals and recognition by the professional academies. Part I details the development of the field and its professional organizations, lists important publications, and explores opportunities for professional practice. Author: Gerald Griggs Publisher: Routledge ISBN: 9780415613088 Category: Education Page: 238 View: 612 Physical education is a core component of the primary school curriculum.

## Sociology of sport and physical education: an introductory reader by Laker, Anthony, 1951

A glance at any of the international journals in the field provides ample evidence of sport sociology grounded in social theory.
