Anne Holahan

The lack of progress in the second municipality was due to the same organizations staying behind bureaucratic walls, and keeping local populations at a distance. Holahan brings back people's power back into this field.

Networks of Democracy: Lessons from Kosovo for Afghanistan, Iraq, and Beyond

Current training puts few resources into training personnel in the critical soft skills of communication, gender awareness and cultural awareness that facilitate working together. No other book on nation-building or democratization examines the daily behavior in an international intervention to answer the big question: How do you get from the chaos of a post-conflict society to one with functioning institutions? No other book on nation-building or democratization examines the daily behavior in an

international intervention to answer the big question: How do you get from the chaos of a post-conflict society to one with functioning institutions? Established in 1895 as the first US scholarly journal in its field, the American Journal of Sociology AJS presents pathbreaking work from all areas of sociology, with an emphasis on theory building and innovative methods.

Networks of Democracy: Lessons from Kosovo for Afghanistan, Iraq, and Beyond

She takes two municipalities in Kosovo after the intervention in 1999 and compares how their paths towards development and reconstruction diverged. The United Nations Mission in Kosovo was made up of civil administration, NGOs, police and militaries, organizations with very different structures and institutional cultures.

Review: [\[Untitled\] on JSTOR](#)

This book compares the fate of two adjacent municipalities two years into that intervention. The Stability Fund will assist the Consortium in the delivery of this training material, enabling data collection for further research.
