## The Human Past: Introduction to Archaeology

Think of all the ways archaeology can be presented to the public — what are they? What insights into Kayenta history might help us understand Kayenta persistence? Type Of Media or Location Pros Cons What are the best means of public outreach? When completing assignments, be careful that you do not plagiarize the works of another; that is, do not present the work or words of another person in a verbatim manner as your own.

## Introduction to Archaeology

For example, jaguar speed -car Search for an exact match Put a word or phrase inside quotes. Or seeking a refresher on the major concepts, places, cultures, and themes that Southwestern archaeologists are exploring today? Consult the UIUC student code for more guidelines on academic integrity. You can also obtain by attending a talk or museum exhibit related to archaeology and submitting a two-page essay on the subject in your Discussion Section in accordance with the related guidelines.
