### Choosing Paint Colors For Scandinavian Design

You can build a radiator cover just like it. Many of us are reflecting on lifestyle changes that will be good for ourselves, our homes and the world we live in. This happens to be one of those great whites that reflects light and changes constantly.

### Scandinavian Painted Decor by Jocasta Innes

Where cold white walls were the central focus of the Scandinavian design scheme, now there is a whole rainbow. I love beautiful houses, objects, and art. A perfect, golden contrast to the shades of gray! Our designers at Décor Aid have also suggested adding pops of colors, such as fuchsia and sea greens.

### Choosing Paint Colors For Scandinavian Design

Stunning full-color photographs enable you to explore the delights of Scandinavian interiors and painted wood architecture, from the cheerful charm of rural farmhouses and country manors to the rich splendor of palaces and churches. And yet, there is plenty of personality and comfort here. Interior designs are moving into the complete opposite end of the color spectrum.
