Anu Aga as the CEO of the company, recommended exit of peripheral materials such as transmitters, bottled water and software. Moreover, managers who signal their interest by asking good questions and listening to the answers often discover unsuspected problems as well as suggestions for solutions.

The 20 Greatest Business Comebacks Stories Of All Time

Gordon Bethune was the man behind the reversal of the former flagging airline fortunes in 1994 when he took over. And they ask tough questions that get their financial officers talking to division and function heads.

The 20 Greatest Business Comebacks Stories Of All Time

The Management Practices That Can Cure a Troubled Company Could Have Kept it Well At the outset I asserted that turnarounds are superb management schools and suggested that the management fundamentals for turnarounds and stable companies differ only in emphasis and execution.

11 Corporate Turnaround Success Stories

Whereas bankers may insist on annual plans and budgets, the organization will be using daily, weekly, monthly, and quarterly targets for feedback. Senior managers should carry out these tasks themselves, relying on the personnel department for data but not for judgments or recommendations.
