## Arkansas Valley Interurban (April 1999 edition)

Some of the races are hotly contested; other races have candidates running who are largely uncontested. Most of the concrete bridges are on private property but two can easily be viewed along SW 36th in Harvey County between Ridge and Mission Road.

## South Platte Press: Arkansas Valley Interurban

The subsequent rise of the automobile age spelled a slow end to the AVI and its grand ambitions to move the masses.

## Arkansas Valley Interurban Railway Company, Wichita, Kansas

How horrible this was still remembered half a century later, by those who had to sleep there. The AVI in Hutchinson forwarded freight to the Rock Island Railroad and the Santa Fe, but not to the Missouri Pacific Railroad which is why the salt mine company built the Hutchinson and Northern Railroad as a connection. When that line was dieselized, it was sold to the as 457 in January 1942.

## Arkansas Valley Interurban (April 1999 edition)

All these ran daily, unchanged on Sundays, but on Mondays to Saturdays a commuter run was made additionally from Wichita to Valley Center and back, leaving at 6:35.

## Ark Valley Interurban then & now

A series of factors including government works projects that improved local roads and a increasing popularity of cars sealed the railroads fate. We have to move AVI 12 around the site to make way for various phases of construction. The ceiling is cream color to increase the light be reflection.

## Arkansas Valley Interurban Terminal Station

We talked to legal experts and looked at court cases to find answers.

## **Arkansas Valley Interurban Ry**

. It was in that very building that Pat Postlethwait, a first grader at the time, hopped off the train. The Fire Side Room at Botanica was once a free standing stop that allowed riders to get on the train, just south of Sim Park.

## **South Platte Press: Arkansas Valley Interurban**

The little Newton to Bethel streetcar line serving was a separate operation, and not timetabled with the two main services although it connected with Van Arsdale to Newton cars at the city's terminal station.
