ANPD : Blogs : Book Review

Function is a good starting point, use this time to learn as much as you can about leadership, but it is not wise to stay too long at this level. True leaders know to make a difference between just a function and true influence: The Boss The Leader Is the ruler of his peers, actions based on authority.

Developing the Leader Within You / Developing the Leaders Around You : BooksRack

Remove for a moment the moral issues behind it, and there is only one definition: Leadership is the ability to obtain followers. In generations past, people would follow leaders simply because they possessed a title or position of authority. He identifies all the principal figures as well as outlines of the main intellectual preoccupations that have informed Western philosophy.
