## Training for Southeast Asian States to Strengthen the Implementation of the Programme of Action on Small Arms and Light Weapons

Malaysia achieved the target of halving poverty in 2002, when its poverty incidence was brought down to less than 10%. Russia acceded to the TAC on 29 November, thereby becoming the second nuclear weapon state and UN Security Council member to sign the TAC after China. In the larger East Asian and Asia-Pacific context of which East Asia is part, I see as the key to lasting peace in the new century the accommodation of the ambitions of the rising powers — China being the greatest among them — for influence in regional affairs.

### Association of Southeast Asian Nations (ASEAN)

In short, what we are now seeing in our time might, in fact, be a rebirth of that ancient system born of the fusion of Asian commercial globalism and western capitalism.

### Thinking seriously about Asia's arms control

It is also recognized that the opportunity currently exists to halt the progress of the epidemic in the ASEAN region through scaling-up effective HIV prevention and care programme.

## Training for Southeast Asian States to Strengthen the Implementation of the Programme of Action on Small Arms and Light Weapons

WA: Have transnational non-governmental interest groups emerged in the ASEAN area that are open proponents of regional cooperation? A consistent goal for the ASEAN members has been to maintain their region as an attractive focus for investment and economic growth. The Ministers also noted with satisfaction the progress in the implementation of the overlapping confidence building measures CBMs and preventive diplomacy PD. The epidemics are largely centred among key vulnerable populations, i.
