## Supplementary Planning Documents (SPDs)

Referendum The referendum relating to the Sturminster Newton Neighbourhood Plan 2016-2031 took place on 21 February 2019. Should the reference in the supporting text to policy SH4 regarding the promotion of major investment in leisure, sport, cultural and tourism facilities be included in the policy? Implementation of policies is already underway. Housing owned by nonprofit organizations may be exempt from local taxation while generating demand for school, infrastructure, and social services.

## Local government in 2020: challenges and opportunities

Site visits: May 2014 and January 5-7, 2015 California Association of Bay Area Governments The Association of Bay Area Governments ABAG requested assistance to help incorporate resilience to natural hazards and climate change into regional and local land use planning, decision-making, and implementation. This is entirely in accord with the Aarhus Convention. These models promote private investment in services.

## APA Policy Guide on Homelessness

Zoning was adopted in 1934 and has been amended over 500 times since then as the community needs have changed. Older supplementary documents, guidance and advice Older supplementary documents can be found on our. The tools are universal and have worked in communities around the country.

## A critical review of seven selected neighborhood sustainability assessment tools

The guidebook describes smart growth approaches that can help communities prepare for current and projected risks to the land use, transportation, water, and buildings sectors.
