Now gravity is taking over.

The Dos and Don'ts of Coaching Tennis

I had a tendency not to want to be a hovering parent and the coaches my son worked with were so busy — one student after another from sun up to sun down, so it felt a little awkward to try to get time to talk, and there were so many parents who just wanted to talk all the time about their child so it was hard. This step-by-step instruction guide gives you the fundamentals of the forehand technique that will allow you to quickly improve your forehand.

Tennis Coaching Accreditation

Every now and then I hit an amazing ball just by turning my hips more as this makes my while body lag a bit which is amazing. Rule of Two Background Screening Ethics Training Ensures open and observable interactions to protect participant and coach alike.

Tennis is an individual sport and independence is critical to a players ability to trouble shoot on the spot while in the heat of the battle.

Tennis Forehand Technique

I practice at one of our tennis courts in Calgary every day, and I also make sure I watch your lessons on YouTube at least once every day. Help your child find other activities or roles that are different from sport, such as music, theater or being a student or sibling. College coaches across all sports agree that parents play a significant role in the athletic recruiting process.
