This book sets out to change that, providing a window into the seamy underworld of contingency fees that the bar and the courts not only tolerate but even protect and nurture. Author: Lester Brickman Publisher: Cambridge University Press ISBN: 9781139497183 Category: Law Page: View: 718 This book is a broad and deep inquiry into how contingency fees distort our civil justice system, influence our political system and endanger democratic governance.
