'Cause we are living in a digital world and tweens are the digital girls and boys...

The following table shows the percentage of US teens who accessed Facebook in 2010. Of course how the classroom is designed, in reference to technology, plays a large role in whether or not it is being implemented. Currently, it is also done online.

Anastasia Goodstein on Totally Wired Teens

There are currently several attempts made by lawmakers and school officials that are meant to deal with this type of bullying. Goodstein also found that most online bullies are girls but the topics of bullying are usually surrounding issues with boys.

'Cause we are living in a digital world and tweens are the digital girls and boys...

Quite simply, Steve Hargadon is a humble, kind, unsung hero who makes a difference in the lives of educators worldwide.

Totally Wired: What Teens and Tweens Are Really Doing Online

Reaction I agree that there are numerous issues regarding education and technology. I want to know what they are doing and use it as a learning opportunity.
