### Survival Guide to Safe and Healthy Travel

Most big-city private tennis and swim clubs welcome foreign guests for a small fee, which is a good way to make friends as well as stay fit. However, since they target bacteria, not viruses, they should be used as an adjunct to, rather than a replacement for, hand washing with soap and warm water.

### Your Essential COVID

Be wary if someone seems to be taking more than a passing interest.

### Information for Women Travelers

Making friends with locals, finding local restaurants restaurants and venturing off the beaten path, can make for exciting travel stories and often the most memorable experiences. Know the local number to call for emergencies. Outside of Europe, be especially cautious.

### Survival Guide to Safe and Healthy Travel

A keypad phone The old school phones with keypads come to rescue when the battery of your Smartphone dies.

### India Travel Tips: Staying Safe and Healthy

A includes first aid items, sunscreen, insect repellent, over-the-counter medicines, and all your prescription medicines.

### Travel safety tips

For those of you who only want to bring a little clothes, you don't need worrying because now every inn has a laundry place or you can go to the

nearest laundry and ask for one day service. One look at the oceanfront medieval city of , preserved by 6,365 feet of pristine walls, and all my worries vanished.
