## Education and Title VI

The person or organization filing the complaint need not be a victim of the alleged discrimination but may complain on behalf of another person or group. Without the adaptation the reopening will go slower.

## Policy on Political Activities

Hazing by its very nature is a private act. That is less than or equal to the seasonal flu. Pirated software is software that is used in violation of the manufacturer's license agreement, most commonly because it is a copy of software purchased for, and used by, someone else.

## COVID

There is a shocking figure here: 25 percent of our young adults, 18 to 25, have contemplated suicide in the past 30 days. To address this concern, schools around the country are by refusing to allow immigration agents on campus without a warrant and withholding students' immigration status in the absence of a subpoena.

## Issues in a Computer Acceptable Use Policy

Many people who test positive now refuse to quarantine. Both policymakers and courts bear responsibility to determine the appropriate parameters of government restrictions of civil liberties and to carefully evaluate the scientific basis for these limitations.

## Dangers and impacts of college hazing: Research roundup

To reach full potential, Americans should elect a president and Congress that will restrain federal spending to keep debt at bay, reverse restrictive trade policies, and a return to a more-predictable, rules-based monetary policy. More recently, in *Rosenberger v.*
