A Journal of the Plague Year Study Guide

The Folio Society, London, 1993. The Limited Editions Club, Connecticut, 1968. There is snappy dialogue, set out as if in play: Village constable: Why you will not pretend to quarter us by Force, will you? To say so is not a criticism.

A Journal of the Plague Year Summary

Published in 1722, nearly 57 years after the events depicted, the work is a first-person narrative told from the perspective of H.

Daniel Defoe's Journal of the Plague Year being reprinted after selling out

This book reads more like a documentary than a novel, although Defoe was 5 or 6 when the great plague hit London. Once safely ensconced, they gave liberally to charities that helped the poor.

And there are dead carts.

A Journal of the Plague Year Study Guide

Defoe contrasts how different classes are involved in the spread of disease. This work purported to be an eyewitness account by a resident of London of the famed epidemic of bubonic plague in England in 1665. The panic began the moment the earliest cases were confirmed.

Coronavirus: Defoe's account of the Great Plague of 1665 has startling parallels with today

Defoe struggles to provide an explanation for this behavior. Book is in Used-Good condition.

A Journal of the Plague Year

Apologies if this happened, because human users outside of Germany who are making use of the eBooks or other site features should almost never be blocked. Book accented in 22kt gold. Pages and cover are clean and intact.
