**The Gypsies' Secret by Barbara Davoll**

The first step in contemplating marriage is the selection of the bride. The symbol of this joyous celebration is a bottle of wine or brandy wrapped in a brightly colored silk handkerchief, brought to the ceremony by the young man's father.

### Racial Customs

There are sometimes lengthy marriage formalities that must be followed.

### Gypsies

Gypsies are nomadic people who probably emerged out of northern India around the 10th century and spread throughout Europe, the British Isles and eventually America.

**Secret Pontins blacklist prevented**

people with Irish surnames from booking

Gypsies have a strong fear of death and the dead, and numerous taboos govern the way they deal with the dead and dying. They carefully consider all the young women in the group, evaluating their individual qualities. .
