Imperial Household Department as it was then , and the large building which is currently in the Middle Garden was moved there. The spectacular Upper Garden is reached through a simple gate and short climb through clipped shrubbery, at which point the entire garden vista is revealed.

## Shugaku

Shugaku-in Rikyu Shugaku-in Imperial Villa As one of the most beautiful gardens in and around Kyoto - in my opinion. Having passed a magnificent garden with a small pond and stone lanterns of various shapes, we stopped near Jugetsu-kan - the Lower Villa building.

## Kyoto Travel: Shugakuin Imperial Villa (Shugakuin Rikyu)

Until you reach the summit, however, trees obstruct the view. The garden features a small brook and pond divided by a walkway embankment, and is set off from the villa by a region of coarse, white sand with white stepping-stones.

## Shugakuin Rikyu Imperial Villa

The pond is ornamented with two major structures: Chitose-bashi, a relatively ornate bridge of two large, stone piers connected by a central walkway, each capped with a wooden pavilion, one of which sports a of gilt copper; and Kyusui-tei, a simple, single-room building 18 mats which is original.

## Shugakuin Rikyu Imperial Villa Kyoto

The closest station to Shugakuin is Shugakuin Station on the Eizan Railway Line, from where the villa's entrance gates can be reached in a 10 to 15

## Shugakuin Rikyu Imperial Villa

Here, too, is a wooden tablet with calligraphy by the Emperor. In 1883, the Shugaku-in came under the control of the

minute walk.
