## The significance of portages (2006 edition)

Reused mounds, as seen across Scotland, would have served as useful site markers and perhaps platforms for speakers, while at the same time carrying religious and ancestral connotations. Above all, however, the existence of thing sites in Mainland Scotland, in the areas ruled by the Norse, but which were not included among the Norwegian skattlands, reinforces the idea that thing sites formed part of the culture brought by the Norse settlers to their new homelands, and were not necessarily enforced by a centralized kingdom and its machineries.
