Syakhsiyah Islamiyah

Zakariyya was sure that whatever she said was true. He provides everything to her, He takes care of her, sends her fruits of all seasons.

Kitāb al-

Imam Muhammad al-Baqir said that when Yahya was born Angels took him to the heaven and gave him milky juice but forbade him to drink milk. This was the first testimony of Yahya! Then one day after reciting Dua and prayer he asked Allah the reason of his crying by reciting the name husayn.

Surely we give you good news of a boy whose name shall be Yahya; we have not made before anyone his equal.

Syakhsiyah Islamiyah

He is alone and has no partner.

An account of Zakariyya and Yahya

Terlepas apakah ia memiliki syakhshiyah Islamiyah yang kuat atau yang lemah, yang jelas ia telah memiliki syakhshiyah atau kepribadian Islam. Seseorang pun akan memuaskan naluri seksualnya dengan cara apa saja bila ideologi yang diyakininya membolehkan hal itu. Hal ini mengingat keahlian dan keamanahannya.

Yahya said that Allah, the Merciful has released him from the terror of these three occasions.

An account of Zakariyya and Yahya

Tidak ada contoh terbaik selain mereka dan orang-orang yang juga mencontoh mereka. If a white colored cloth was spread on the ground it might have become red, and blood started oozing from below the stones.

Islamic Shayari Message

He punishes the offenders, so fear His chastisement. The king asked her what she desired as a gift. Then she persuaded the king to kill Yahya.
