## Sean Scully

In 2015 Scully completed a permanent installation for the restored Santa Cecilia de Montserrat monastery in Barcelona. The interview with Sean Scully conducted in Mooseurach by Jörg Zutter is published here, and we are most appreciative that our Finnish colleagues have supported our wish to prepare a new publication with additional essays and a selection of short texts quoting the artist. The series as a whole features variations on Scully's distinctive stripe patterns, revealing the difference and repetition in his paintings as they evolved over nearly two decades.

The dark, richly colored background recalls contrasts with the vibrant panels on top, which appear to float on the surface, while the iridescent white stripes seem to reflect light outwards like a mirror.

## Sean Scully (actor)

As with his best-known paintings, Scully's more recent sculptures continue to explore the narrow framework of geometry and abstraction. .
